

BrightStar German Shepherd Rescue Golf Tournament Tournament Sponsor Sheet

BrightStar German Shepherd Rescue is holding its FIRST annual "Golf Tournament" on Saturday September 18, 2010. It will be held at Riverton golf Course in Scottsville, NY to raise money for vet costs (shots, spaying or neutering, surgery, and other related illnesses).

A foursome for this event is \$340.00 or \$85.00 for a single golfer.

BrightStar German Shepherd Rescue is a non-profit organization which takes in German Shepherd dogs and finds new adopting families. All dogs are vet checked, updated on all shots, micro-chipped and spayed or neutered prior to adoption.

BrightStar started in 2002 and has adopted over 1850 dogs to date. Each dog is special in his/her own way. Your donation helps find their new forever home for these beautiful dogs.

If you want more additional information please contact BrightStar by going to their website www.brightstargsd.org and download the golf tournament application and mail to the address below.
